SUBJECT: Soviet Rail Shipments

In reponse to your request for information concerning westbound rail shipments between the USSR and Germany, we have endeavored to obtain further data but have received only the following so far:

1. At least five recent reports have stated that all west-bound trains are returning from the USSR empty, except for those carrying PWs and troops. [Redacted]
2. Coal and expellees are reportedly being shipped westward from Poland via Forst and Wehrkirch.(Ober-Lausitz).
3. A few cars with unidentified contents are being routed westward via Scheune and perhaps Frankfurt.
